

# GET CONNECTED!

PaymentCollect™ for QuickBooks® POS gives you more options and the flexibility you need.

FULLY INTEGRATED POS SOLUTION

ALLOWS MERCHANTS TO RETRIEVE,

PROCESS AND APPLY PAYMENTS

## POWERFUL PLUG-IN MORE OPTIONS

PaymentCollect is a powerful Add-on that allows merchants to quickly and easily process payments using other processors of your choice for QuickBooks POS.

PaymentCollect's breakthrough technology plugs into QuickBooks for POS with simple and seamless processing of credit cards and gift cards to match your current QuickBooks experience. Transactions are posted to QuickBooks automatically and real-time, double entry is eliminated and end of day uploads to QuickBooks becomes unnecessary.

PaymentCollect is a downloadable plug-in and service. Live and fast installation, setup, training and support will get you up and running using your choice of payment processing.

## SIMPLE TO USE EASY INSTALL

Our seamless integration matches the same QuickBooks payment process that your accustomed to using today. Most importantly, as a merchant you're no longer limited to a single, proprietary payment processor or pricing option!
